Hey Dante,

I have the original signature page from Greg, but Jeff tells me that we will have the DOI signature page at Yerington today, so Greg will be signing that page. Then he will hand off to Angeles.

That way all 3 signatures will be original and on the same page.

Thanks,

Jeryl

I'll see what I can do on Monday morning, and do a handoff to Angeles or Harry.

Have a good weekend!

We just finished moving Anita's business from CA to NV (only 4 miles, but lots of heavy equipment and a sauna)!

Whew, glad that's done!

Hey Jeryl,

Actually we are looking to get the hard copy original, the actual paper that Greg signed. Can you mail, fedex, or hand deliver to us? (Angeles and Harry will be at Yerington roundtable on Monday). We want to have all three original signatures in the file hard copy to place in EPA Records Center.

Hey Jeryl,

So feedback from the EPA weekly team meeting regarding schedule for EPA-YPT-NDEP MOU is that it will take a long time. Draft will need to go through substantial HQ review and input due to precedential nature of tribal issue. No timeframe estimated.

On other subject, EPA would like the original NDEP signature page for the ROD, to be included in the official hard copy. Can you send that? Thanks!
